

Withholding your number

At Carer Support Wiltshire our telephone talk and support volunteers if using their personal telephones, always withhold their number.

The way to withhold your number will vary between devices used, select your device;

Landline

Android

iPhone

Landline

To hide a number from a landline dial 141 and then dial the number

Main
Menu

Android

- Android device go to the phone
- Press the vertical 3 dots for a drop-down menu and select settings
- Select supplementary services or more settings
- Select showing caller ID
- Click hide my number

Main
Menu

iPhone

- For an Apple device go to settings
- Select phone
- Select show my caller ID
- Slide the circle to the left to hide number and back to right (green) to show number
